MISCELLANEOUS DEPARTMENTS.

DEPARTMENT OF AGRICULTURE, BANGALORE.

Notification No. Roc. 3384—Sr. 605 (a) of 29-30, dated 5th May 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Agricultural Engineer, Bangalore, upto 2 P.M., on Saturday the 23rd May 1931, for the supply of furniture for the laboratory of the Serum Institute, Hebbal, Bangalore. An approximate estimate of quantities is given below. The quantities are not guaranteed. The work should be completed by the end of June 1931.

The plan and detailed estimate may be seen at the Office of the Agricultural Engineer.

A sum of Rs 300 in cash towards earnest money should be remitted to the Officer in charge, State Huzur Treasury, Bangalore, with challans duly filled in by the tenderers. The duplicate copy of the challan should accompany the tender. The tender should be superscribed "Tender for the supply of furniture for the laboratory of the Serum Institute".

Subject to the final sanction of the Director of Agriculture in Mysore, Bangalore, acceptance of any tender in whole or part will rest with the Agricultural Engineer who does not bind himself to accept the lowest tender or to assign any reason for the rejection of any tender.

Within eight days of the acceptance of the tender, the successful competitor will be informed and he is required to execute the usual contract bond, in default of which his tender will be considered as cancelled and the earnest money will be forfeited.

On acceptance of one of the tenders, the earnest money on the rejected tenders will be returned.

No claim for enhanced rates will be preferred after the tender is accepted, and during the course of execution of work.

The successful tenderer will be required to manufacture the furniture on the Hebbal Workshops under the direct supervision of the Assistant Engineer and fit up the furniture in the adjacent serum laboratory as per instructions.

The design of the furniture will be the same as that of the furniture fitted in the Agricultural Office, Bangalore. These can be inspected on permission.

The wood should be the best seasoned teakwood free from flaws of any kind. Such of the materials as are rejected will not be permitted on the work.

In all matters of dispute regarding quality of work, rates, etc., the decision of the Agricultural Engineer will be final.
